MILEstone Work Integration Steps Group Mentoring Programme

CERTIFICATE OF ACTING AS A MENTOR

Ehsan Mohajer

has participated in the Work Integration Steps Group Mentoring Programme as a mentor for international students.

The mentoring program connected professionals working in Finland with international university degree students in Jyväskylä. The program was part of the Pilot Action in MILEstone-project (Interreg Europe) and was organised by the City of Jyväskylä in cooperation with University of Jyväskylä and Jamk University of Applied Sciences.

The duration of the programme was 12.2.-27.5.2026. The mentoring included training for mentors, minimum 3-4 meeting meetings with the actor group and an open space discussion event in the end of the programme.
